課程概述

This course aims to develop students' general English proficiency at the B2 level, with an emphasis on improving English listening and speaking skills. Approximately 50% of the course content is related to academic contexts. It aims to advance students' English listening and speaking skills. Students will further develop listening skills through authentic listening materials. Students will also develop speaking skills through a variety of interactive activities.

課程目標

By the end of the course, students will learn to:
comprehend English listening materials of different topics
take notes
understand different accents
speak with confidence
express personal opinions
ask and answer questions appropriately
lead and participate in effective group discussions

deliver oral presentations using visual aids

課程要求

Students need upper-intermediate level of English proficiency.

指定閱讀

無

評量方式 (修課證明)
